Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I use a mail pharmacy and am very  
satisfied. Any time you restrict fair,  
non invasive competition you are doing  
a disservice to the country and its  
citizens. Thank you for all  
considerations for our safety, well  
being and the democratic government  
we cherish.
